Von Robert J. Shimonski : Security and Study Guide - DVD Training System: Study Guide and DVD Training System before purchasing it in order to gage whether or not it would be worth my time, and all praised Security and Study Guide - DVD Training System: Study Guide and DVD Training System:

KurzbeschreibungWhy has CompTIA (the high-profile Computer Technology Industry Association behind the wildly popular A+ and Network+ certifications) targeted security for its latest credential? Thanks to soaring e-business initiatives and worldwide Internet connectivity, recent survey stats from the Computer Security Institute (CSI) show

we need more network security specialists-fast! Boasting a one-of-a-kind integration of text, DVD-quality instructor-led training, and Web-based exam simulation and remediation, "Security+ Study Guide and DVD Training System" gives students 100 per cent coverage of official CompTIA Security+ exam objectives plus realistic test prep. Security+ is sure to become an instant industry standard. Leading cert industry publications and Web portals forecast the rapid rise of security certifications in 2003, and CompTIA's growth curve of A+ and Network+ technicians suggests that Security+ certified engineers could easily number 100,000 by the end of next year. The first Security+ study resource to market, "Security+ Study Guide and DVD Training System" bundles all 3 of these teaching technologies to give Security+ candidates the edge they need to pass this career-boosting new exam-and achieve certification-on their very first try. Syngress has become a leader in IT certification-blending innovative teaching methodologies with such groundbreaking tools as exam simulators, instructor-led DVDs, and integrated Web-based support.

Synopsis Why has CompTIA (the high-profile Computer Technology Industry Association behind the wildly popular A+ and Network+ certifications) targeted security for its latest credential? Thanks to soaring e-business initiatives and worldwide Internet connectivity, recent survey stats from the Computer Security Institute (CSI) show we need more network security specialists-fast! Boasting a one-of-a-kind integration of text, DVD-quality instructor-led training, and Web-based exam simulation and remediation, "Security+ Study Guide and DVD Training System" gives students 100 per cent coverage of official CompTIA Security+ exam objectives plus realistic test prep. Security+ is sure to become an instant industry standard. Leading cert industry publications and Web portals forecast the rapid rise of security certifications in 2003, and CompTIA's growth curve of A+ and Network+ technicians suggests that Security+ certified engineers could easily number 100,000 by the end of next year.
